About Dover Tubular Alloys

A True Master Distributor Of Stainless Steel & Aluminum Tube and Pipe

Dover Tubular opened for business in 1983 in Dover, New Jersey and expanded to Houston, Texas in 1996. From the beginning, we have focused on delivering superior customer service and value. Today, our inventory includes more than 3,000 variations of tubing sourced from the world's leading mills, and approximately 98% of our orders ship within 24 hours. We work with our customers to develop solutions and exceed expectations.

As a family owned business, we stay true to the core principles that transformed this business into what it is today. With an average of 20+ years of experience, our sales team has the expertise required to consistently deliver superior customer service and to help solve your procurement challenges.

At Dover Tubular Alloys, we strive to be your first and last call for stainless steel & aluminum tube and pipe.
